

THE RED BALLOON Co.

shop for schools

Shop For Your School When You Shop for Your Kids!

Every time you shop with us, The Red Balloon Co. will donate a portion of your purchases to your child's school.

Just mention the school's name at check out and 3% of your purchases will go back to your school in the form of a cash donation.

Get the whole class involved: the more everyone shops, the more your school benefits. With our unique clothes, toys and books, you'll help your school (and your kids!) look better than ever!

To register your school, visit theredballoon.com or email your school's name, address, and the contact info for the Director of Development.
